

HOUSE BILL 2641

By Harmon

AN ACT to amend Tennessee Code Annotated, Title 54; Title 55 and Title 67, relative to implementing the state transportation system. This act makes appropriations for the purposes described above during the fiscal year beginning July 1, 2008.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF TENNESSEE:

SECTION 1. There is hereby appropriated \$100,000,000 to the department of transportation for implementing the state transportation system, including, but not limited to, developing and maintaining highways, providing multimodal transportation services and facilitating transportation resources statewide. Such appropriation shall be allocated as follows:

(1) Twenty-eight and six-tenths percent (28.6%) of such appropriations shall be appropriated to the various counties of the state on the basis set out in § 54-4-103;

(2) Fourteen and three-tenths percent (14.3%) of such appropriations shall be appropriated to the various municipalities, as defined by § 54-4-201, on the basis set out in § 54-4-203; and

(3) All funds remaining after the distributions set out in subdivisions (1) and (2) above shall be appropriated to the department of transportation.

SECTION 2. This act shall take effect July 1, 2008, the public welfare requiring it.
